Dear Mom;

Received the birthday cards that you and Mary sent me. They were ~~at~~ very nice and it really feels good to know that you remembered.

Every thing is still all right and my health is good. Have been feeling very fit lately and things around here are running smoothly.

I had your allotment changed from a straight allotment to a class B. The latter allotment is for a dependent and you will receive thirty-seven dollars instead of the twenty five. It should start in Dec. but it may be delayed a

month.

I would like you to help Mary a little more than you are. Things get pretty tough for her at times and she needs your help. After all, she did a big favor for me when I left by taking care of you.

Hope that you are still feeling fine and every thing is all right both at home and at work. Hope that you have your teeth fixed soon.

Saw Steve last nite and it looks like he lost a little weight. He has changed his attitude and seems to be doing all right now.

That's all for now so until later so long and God Bless the
five of you

Love
George

P.S. I will be thinking of Dennis and
his birthday.
